Tel: (+44) 07857 610052

Email: cwb.browne@gmail.com

I am an experienced camera assistant that has been working on narrative based drama for the past few years. Through my experience in camera rentals, I have a good understanding of camera and grip equipment; including servicing, setup and powering of all accessories. I am based in Manchester but also able to war in Bristol and London with ease.
